

CHILDREN'S CHORUS

LEBANON COUNTY CHORAL SOCIETY

The *Children's Chorus* was organized in 2011 to give children in the greater Lebanon area an opportunity to experience excellence in choral performance. The Children's Chorus performs two major concerts a year with the Adult Chorus, in December and May. A few other stand-alone performance venues may be added each season. A one-day camp in August each year is the kick-off event for the year.

We invite children in Elementary and Middle School to join us. Many of our singers also play an instrument or sing in other choral groups. It is interesting and rewarding to see how the children have grown in their ability and confidence to sing and read music in such a short time. **Director Karen Umberger**, moves the choristers through rehearsals with enthusiasm and excellence that motivates the creative abilities of those involved. **Elsa Quanbeck** is our Coordinator for membership and performances. **Jennifer Trexler**, rounds out our leadership team as our very able accompanist.
